

KFintech elevates Sreekanth Nadella to Managing Director & CEO

06 July 2022, Hyderabad: KFin Technologies Limited (“KFin Technologies”), a leading technology-driven financial services platform providing comprehensive services and solutions to the capital markets ecosystem across asset classes, has today announced that its Chief Executive Officer (CEO), Sreekanth Nadella has been elevated to the role of Managing Director (MD) and CEO of the organization.

Sreekanth was appointed as CEO of KFintech in 2020 and transformed the organization into a customer-centric, digitally agile technology solutions provider. Under his leadership, KFintech has serviced over 100 million key investor accounts, to reach out to 3500+ issuers including banks, PSUs, and mutual funds. Sreekanth’s extraordinary efforts have witnessed key decisions to develop aspirational services and grow fast in India and overseas. Sreekanth has also led some key acquisitions and the expansion of KFintech as a leading SaaS company.

In his elevated role, Sreekanth will continue to steer the company’s focus and efforts to deliver best in class, enhanced and technology focused solutions, positively impacting the overall financial services ecosystem.

Sreekanth has also played a pivotal role in the company’s growth in India and key international markets, including Canada, USA, Oman, Malaysia, United Kingdom, UAE, Maldives, Singapore, Australia, Hong Kong, Philippines, and Bahrain.

About KFin Technologies

KFin Technologies serves the mission-critical needs of asset managers with clients spanning mutual funds, AIFs (alternative investments), pension, wealth managers and corporates in India and abroad. The company provides SaaS based end-to-end transaction management, channel management, compliance solutions, data analytics and various other digital services to asset managers across segments as well as outsourcing services for global players. KFin’s vision is to be the most preferred and proactive solutions provider for investment managers and intermediaries, which helps clients increase their market share by providing an agile platform for product innovation, widest geographical reach and technology enabled omni-channel investor services.

Kfin Technologies is majority owned by funds managed by General Atlantic, a leading global private equity investor. Kotak Mahindra Bank Limited acquired ~9.9% stake in Kfin Technologies in 2021.
