INDEPENDENT AUDITORS' REPORT

To the Members of WebileApps Technology Services Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of WebileApps Technology Services Private Limited (“the Company”), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone statement of Profit and Loss (including other comprehensive income), Standalone statement of changes in equity and Standalone statement of Cash Flows for the year then ended, and notes to the Standalone financial statements, including a summary of material accounting policies and other explanatory information (herein referred as “standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and Profit and other comprehensive income, statement of changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Other Information

The Company’s Management and Board of Directors are responsible for the other information. The other information comprises the Board’s Report including Annexures to the Board’s Report but does not include the standalone financial statements and our auditor’s report thereon. The annual report is expected to be made available to us after the date of this auditor’s report. Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information

S R V N & ASSOCIATES

Independent Auditor's Report on the Standalone financial statements of WebileApps Technology Services Private Limited for the year ended 31 March 2026 (continued)

Other Information (continued)

is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

S R V N & ASSOCIATES

Independent Auditor's Report on the Standalone financial statements of WebileApps Technology Services Private Limited for the year ended 31 March 2026 (continued)

Auditor's Responsibilities for the Audit of the Standalone Financial Statements (continued)

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

SRVN & ASSOCIATES

Independent Auditor's Report on the Standalone financial statements of WebleApps Technology Services Private Limited for the year ended 31 March 2026 (continued)

Report on Other Legal and Regulatory Requirements (continued)

2. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matter stated in the paragraph 2 (j) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014
 - c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone statement of changes in equity, and the standalone statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the INDAS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
 - h) The management has represented that other than those disclosed in the notes to accounts:
 - i. no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.

S R V N & ASSOCIATES

Independent Auditor's Report on the Standalone financial statements of WebileApps Technology Services Private Limited for the year ended 31 March 2026 (continued)

Report on Other Legal and Regulatory Requirements (continued)

- ii. no funds have been received by the company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
 - iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (h) (i) and (h) (ii) contain any material misstatement.
- i) The Company has neither declared nor paid any dividend during the year.
 - j) Based on our examination which included test checks, the Company, in respect of the financial year commencing on 01 April 2025, has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software.

Further, during the course of our audit, we did not come across any instance of tampering with the audit trail feature in the accounting software where such facility was enabled and operational. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention from the date the audit trail was enabled for the respective accounting software.

- k) With respect to the matter to be included in the Auditor's Report under section 197(16):

In our opinion and according to the information and explanations given to us, the provisions of Section 197 of the Act are applicable only to a Public Company. Accordingly, the matter to be included in the Auditor's Report under section 197(16) is not applicable to the Company.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2026:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment.
- (B) The Company has maintained proper records showing full particulars and situation of intangible assets.
- (b) The property, plant and equipment were physically verified during the year by the Management in accordance with a regular program of physical verification of its property, plant, and equipment at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property. Accordingly, clause 3(i)(c) of the Order is not applicable.
- (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.
- (e) Based on the information and explanations furnished to us, there were no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The Company is engaged in the business of rendering services. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) and 3(iii)(c) to 3(iii)(f) of the Order are not applicable to the Company.
- The Company has not made any investments in any company, firms, limited liability partnership or any other parties during the year.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 (“the Act”). In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.

WebileApps Technology Services Private Limited

“Annexure A” to the Independent Auditors’ Report (continued)

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including GST and Income-Tax, and other statutory dues have been regularly deposited by the Company with the appropriate authorities.

According to the information and explanation given to us, the Company did not have any dues on account of Provident fund, Employees’ State Insurance, Duty of Customs and Cess.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Services Tax, Provident fund, Employees’ State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

(c) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, the Company has not raised any funds on short-term basis. Accordingly, clause 3(ix)(c) of the Order is not applicable.

SRVN & ASSOCIATES

WebileApps Technology Services Private Limited

“Annexure A” to the Independent Auditors’ Report (continued)

- (d) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary during the year ended 31 March 2026. Further, the company does not have any subsidiaries, associates, or joint ventures as on the balance sheet date.
- (x) a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has not made preferential allotment of shares during the year. Accordingly, clause 3(x)(b) of the order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) Based on the information and explanations provided to us, the Company does not have a vigil mechanism and is not required to have a vigil mechanism as per the Act or SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) The Company is a private limited company and accordingly the requirements as stipulated by the provisions of Section 177 of the Act are not applicable to the Company. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards (INDAS).
- (xiv) In our opinion and based on the information and explanations provided to us, the Company is not required to have an internal audit system as per Section 138 of the Act and does not have an Internal Audit system. Accordingly, clause 3(xiv)(a) and 3(xiv)(b) of the Order are not applicable.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) and 3(xvi)(b) of the Order is not applicable.

S R V N & ASSOCIATES

WebileApps Technology Services Private Limited

“Annexure A” to the Independent Auditors’ Report (continued)

(b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(c) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

(xvii) The Company has not incurred any cash losses during the current financial year and in the immediately preceding financial year.

(xviii) There is no resignation of the statutory auditor during the year. Accordingly, clause 3(xviii) of the order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The requirements as stipulated by the provisions of Section 135 of the Act are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditors' report on the Standalone Financial Statements of WebileApps Technology Services Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid Standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of WebileApps Technology Services Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

S R V N & ASSOCIATES

Annexure B to the Independent Auditors' report on the Standalone Financial Statements of WebileApps Technology Services Private Limited for the year ended 31 March 2026 (continued)

Meaning of Internal Financial controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

WebileApps Technology Services Private Limited

Notes to Financial statements

1. Reporting entity

WebileApps Technology Services Private Limited (“the Company”) was incorporated on 09 March 2015 at Andhra Pradesh, India. The Company’s registered office is at 301, The Centrium, 3rd Floor, 57, Lal Bahadur Shastri Road, Nav Pada, Kurla (West), Kurla, Mumbai, Mumbai, Maharashtra, India, 400070. The company is engaged in the business of providing software product design and development services.

2. Summary of Material Accounting Policies

A) Basis of preparation and measurement of Financial Statements

The Balance Sheet of the Company as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flows for the year ended 31 March 2026 and the Summary of Material Accounting Policies and Other Financial Information (together referred to as “Financial Statements”) have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016 and other relevant provisions of the Act.

The Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the periods presented in the Financial Statements.

The Financial Statements have been prepared under the historical cost convention on accrual basis except for the following items:

- Defined benefit liability/(assets): fair value of plan assets less present value of defined benefit obligation
- Certain financial assets and liabilities that are measured at fair value or amortised value

The Financial Statements were authorised for issue by the Board of Directors on 28 April 2026.

Functional and presentation currency

These Financial Statements are presented in Indian Rupees (“INR”), which is the Company’s functional currency. All amounts have been rounded to the nearest millions, unless otherwise stated.

2. Summary of Material Accounting Policies (continued)

A) Basis of preparation and measurement of Financial Statements (continued)

Fair value measurement

Fair value is the price that would be received from sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either -

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to/ by the Company.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole-

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company's directors determine the appropriate valuation techniques and inputs for fair value measurements. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Any change in the fair value of each asset and liability is also compared with relevant external sources to determine whether the change is reasonable.

For changes that have occurred between levels in the hierarchy during the year the Company re-assesses categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Use of judgments and estimates

In preparing these Financial Statements, management has made judgments, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Management believes that the estimates used in the preparation of the Financial Statements are prudent and reasonable. Actual results may differ from these estimates.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

A) Basis of preparation and measurement of Financial Statements (continued)

Use of Judgements and estimates (continued)

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Changes in estimates are reflected in the financial estimates in the period in which changes are made and if material, their effects are disclosed in the notes to the Financial Statements.

a) Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the Financial Statements for every period ended is included below:

- *Taxes*

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. The Company establishes provisions, based on reasonable estimates, for possible consequences of assessment by the tax authorities of the jurisdiction in which it operates. The amount of such provisions is based on various factors, such as experience of previous tax assessment and differing interpretations of tax laws by the taxable entity and the responsible tax authority. The Company assesses the probability for litigation and subsequent cash outflow with respect to taxes.

Deferred income tax assets are recognised for all unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. (Refer note K).

- *Useful life and residual value of property, plant and equipment and intangible assets*
The charge in respect of periodic depreciation is derived after estimating the asset's expected useful life and the expected residual value at the end of its life. The depreciation method, useful lives and residual values of Company's assets are estimated by Management at the time the asset is acquired and reviewed during each financial year. (Refer note C, D and E).

2. Summary of Material Accounting Policies (continued)

A) Basis of preparation and measurement of Financial Statements (continued)

Use of Judgements and estimates (continued)

- *Impairment of financial assets*
Analysis of historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.
- *Provisions and contingencies*
Assessments undertaken in recognizing the provisions and contingencies have been made as per the best judgment of the management based on the current available information. (Refer note J).
- *Fair value measurement of financial instruments*
When the fair value of financial assets and financial liabilities recorded in the Balance Sheet cannot be derived from active markets, their fair value is determined using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgments is required in establishing fair values. The judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.
- *Impairment of non-financial assets*
Key assumptions for discount rate, growth rate, etc. The determination of recoverable amounts of the CGUs assessed in the annual impairment test requires the Company to estimate their fair value net of disposal costs as well as their value-in-use. The assessment of value-in-use requires assumptions to be made with respect to the operating cash flows of the CGUs as well as the discount rates. (Refer note F).

B) Classification of assets and liabilities as current and non-current

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash and cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

B) Classification of assets and liabilities as current and non-current (continued)

Deferred tax assets are classified as non-current assets.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Operating Cycle

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

C) Property, Plant and Equipment

Recognition and measurement

Property, Plant and Equipment

Items of property, plant and equipment are measured at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as a separate item (major components) of property, plant and equipment. Any gain or loss on disposal of property, plant and equipment is recognised in Statement of Profit and loss.

Capital work-in-progress

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work-in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as other non-current assets.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

C) Property, Plant and Equipment (continued)

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

The Company provides depreciation on Property, Plant and Equipment, other than vehicles and leasehold improvements based on the useful life specified in Schedule II to the Companies Act, 2013.

The depreciation is provided under straight-line method. Leasehold improvements are amortised over the primary period of the lease or the estimated useful life of the assets, whichever is lower.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Asset category	Estimated useful life (years)	Useful life as per Schedule II of the Companies Act (years)
Computers	3	3-6
Furniture & Fixtures	10	10

D) Intangible assets

Intangible assets acquired are stated at cost less accumulated amortisation and impairment loss, if any. Intangible assets are amortised in the Statement of Profit and Loss over their estimated useful lives from the date they are available for use based on the expected pattern of economic benefits of the asset. Intangible asset is amortised on straight line basis

Asset category	Estimated useful life (Years)
Accounting Software	1-10

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure are recognised in the Statement of Profit and Loss as incurred.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

D) Intangible assets (continued)

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

E) Intangible assets under development

Research costs are expensed as incurred. Software product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be measured reliably. The costs which can be capitalized include the cost of software purchased, direct salary and overhead costs that are directly attributable to preparing the asset for its intended use.

F) Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than inventories and deferred tax assets) to determine whether there is any indication on impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest Company of assets that generates the cash inflows from continuing use that are largely independent of the cash inflows of other assets or Cash generating unit (CGUs).

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

Where it is not possible to estimate the recoverable amount of individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment loss in respect of assets is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised in prior years. A reversal of impairment loss is recognised immediately in the Statement of Profit and Loss.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

G) Revenue

Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs. Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. The effect on adoption of Ind AS 115 was insignificant.

The revenue for the company is primarily from design and development of software applications. The company also generates revenue by way of maintenance services on products sold.

Work-in-progress (unbilled revenue) represents revenue from services rendered, recognised based on services performed in advance of billing based on the terms and conditions mentioned in the agreements with the customers.

H) Contract balances

Contract assets: The Company classifies its right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset where the right to consideration is unconditional upon passage of time.

Contract liabilities: A contract liability (which we referred to as Unearned Revenue) is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is received.

I) Trade receivables

Trade receivables are amounts due from customers for services rendered in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value. The Company holds trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost, less provision for expected credit loss.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

J) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable (more likely than not) that it is required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the Balance Sheet date, considering the risks and uncertainties surrounding the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the entity. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

Contingent assets are not recognised in the Financial Statements but disclosed, where an inflow of economic benefit is probable.

A contract is considered as onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

K) Income taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

2. Summary of Material Accounting Policies (continued)

K) Income taxes (continued)

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

WebileApps Technology Services Private Limited
Notes to Financial statements

2. Summary of Material Accounting Policies (continued)

L) Cash and cash equivalents

Cash and cash equivalents are short-term highly liquid investments that are readily convertible into cash with original maturities of three months or less. Cash and cash equivalents consist primarily of cash and deposits with banks and interest accrued on deposits.

M) Earnings per share

Basic earnings per share (EPS) is computed by dividing the net profit after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed to be converted as of the beginning of the year, unless they have been issued at a later date.

23 Disclosure as required under the Micro, Small and Medium Enterprises Development Act, 2006 ("the MSMED Act") based on the information available with the company.

The management has identified enterprises which have provided goods and services to the company and which qualify under the definition of micro and small enterprises, as defined under the MSMED Act. Accordingly, the disclosure in respect of the amounts payable to such enterprises has been made in the financial statements based on information received and available with the company. Further, in the view of the Management, the impact of interest, if any, that may be payable in accordance with the provisions of the MSMED Act is not expected to be material. The company has not received any claim for interest from any supplier under the said MSMED Act.

Trade payables	-	-	1.99	1.99	-	-	-
Other current financial liabilities	-	-	-	-	-	-	-
Total	-	-	1.99	1.99	-	-	-

B. Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are:

- (a) recognized and measured at fair value and
- (b) measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Indian Accounting Standard 113. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between level 1 and level 2 during the year.

Valuation process

The finance department of the Company performs the valuation of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. Discussions of valuation processes and results are held between the director and the finance team at least once every quarter.

C. Fair value of financial assets and liabilities measured at amortized cost

Particulars	As at 31 March 2026		As at 31 March 2025	
	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets				
Other non-current financial assets	-	-	2.00	2.00
Trade receivables	-	-	-	-
Cash and cash equivalents	0.64	0.64	0.80	0.80
Other current financial assets	4.15	4.15	1.53	1.53
Total	4.79	4.79	4.33	4.33
Financial liabilities				
Trade payables	0.17	0.17	1.99	1.99
Other current financial liabilities	-	-	-	-
Total	0.17	0.17	1.99	1.99

The carrying amounts of the financial assets and liabilities measured at amortized cost are considered to be their fair values as these carrying amounts are a reasonable approximation of their corresponding fair values.

25 Financial instruments – Fair values and risk management (continued)

II. Financial risk management

Risk management framework

The company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The Board of Directors are responsible for monitoring the company's risk management policies. The company's risk management policies are established to identify and analyze the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities. The company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has exposure to the following risks arising from financial instruments:

- a) Credit risk
- b) Liquidity risk
- c) Market risk

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks. Credit risk arises principally from trade receivables, advances, security deposits, cash and cash equivalents and deposits with banks.

Cash and cash equivalents and deposits with banks

Cash and cash equivalents of the Company are held with banks which have high credit rating. The Company considers that its cash and cash equivalents have low credit risk based on the external credit ratings of the counterparties.

25 Financial instruments – Fair values and risk management (continued)

ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flows generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position comprising cash and cash equivalents on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by the Company. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. As at 31 March 2026, the Company has a net current assets of INR 4.62 millions.(31 March 2025 INR 4.49 million)

Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and exclude contractual interest payments and exclude the impact of netting agreements.

Particulars	Carrying amount as at 31 March 2026	Total	Upton 1 year	Between 1-2 years	Between 2-5 years	More than 5 years
Non-derivative financial liabilities						
Trade payables	0.17	0.17	0.17	-	-	-
Total	0.17	0.17	0.17	-	-	-

Particulars	Carrying amount as at 31 March 2025	Total	Upton 1 year	Between 1-2 years	Between 2-5 years	More than 5 years
Non-derivative financial liabilities						
Trade payables	1.99	1.99	1.99	-	-	-
Other financial liabilities	-	-	-	-	-	-
Total	1.99	1.99	1.99	-	-	-

iii. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's Revenue from operations or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Currency risk

The Company is not exposed to foreign currency risk as there are no foreign currency receivable or payable as at 31 March 2026 and 31 March 2025.

WebileApps Technology Services Private Limited**Notes to Standalone financial statements**

(All amounts are in INR million, unless otherwise stated)

26 Capital management

The company aims to maintain a strong capital base so as to maintain the confidence of all stakeholders and to sustain future development of the business. In order to maintain the capital structure, the company monitors the return on capital, as well as the level of dividends to equity shareholders. The company aims to manage its capital efficiently so as to safeguard its ability to continue as going concern and to optimize returns to all its shareholders. For the purpose of the company capital management, capital includes issued capital and all other equity reserves and debt includes long-term borrowings (including current maturities) and short-term borrowings. As the company does not have any debt as at 31 March 2026, the disclosure of total debt to equity ratio is not been disclosed.
